### **TEST RESULTS, REFERRALS AND RECORDS**

Your doctor will advise when results are expected. To ensure privacy, results are not given over the phone unless approved by your doctor. Repeat prescriptions, referrals and medical certificates require an appointment.

Patients may request access to their medical records by completing a form from reception with valid identification.

- **Urgent Results:** The Doctor or Nurse will contact you by phone to advise you to make an appointment. If there is no answer after 3 attempts, a letter will be sent to you advising an urgent appointment is required.
- **Non-Urgent Results:** Our automated recall and reminder system will send you a text requesting you to make a non-urgent appointment. If you have chosen to opt-out of receiving texts, you will receive a letter. If there is no answer after 3 attempts, a letter will be emailed or posted.
- **Normal results: (no action required):** If your doctor has marked your results as normal, we do not normally contact you. You may receive an SMS via HotDoc advising of this.

### **PRIVACY AND HEALTH INFORMATION**

Our practice is committed to protecting the privacy and confidentiality of all personal and health information in accordance with the *Privacy Act 1988 (Cth)*, the *Australian Privacy Principles (APPs)* and relevant Western Australian legislation.

We collect personal and health information directly from patients where possible and securely store this information in our clinical software to ensure it remains protected from unauthorised access, loss or misuse. Patient information is used only for the purpose of providing quality health care, managing our clinical operations and meeting legal and professional obligations.

Information will only be disclosed to third parties with the patient's consent, where required or authorised by law (e.g. mandatory reporting or public health requirements).

All staff and contractors are bound by confidentiality agreements and receive regular training on privacy obligations.

### **USE OF ARTIFICIAL INTELLIGENCE (AI) SCRIBES**

Our practice uses an AI scribe tool to support GPs take notes during their consultations with you. The AI scribe uses an audio recording of your consultation to generate a clinical note for your health record, once transcribed, the audio recording is destroyed. Only your General Practitioner can access this content. You have the right to refuse the use of the AI Scribe during your consultation.

### **PATIENT FEEDBACK AND COMPLAINTS**

We welcome your feedback to help us continually improve our services. You may speak to our Practice Manager or submit a form at reception.

If you wish to make a formal complaint, you can contact the Health and Disability Services Complaints Office (HaDSCO) on (08) 6551 7600 or [mail@hadsco.wa.gov.au](mailto:mail@hadsco.wa.gov.au)
